FAST FACTS

YEAR FOUNDED: 1992

OWNERS: GERRIE FAMILY

WHO WE ARE:

For over 30 years, Cristom Vineyards has crafted distinguished wines of place using traditional techniques – low yields, whole-cluster, and native yeast fermentations. Established in 1992 by the Gerrie family and now steered by the second generation, we steward five world-class vineyards on a windswept, east-facing volcanic slope in Oregon's Eola-Amity Hills. Our 240-acre Estate is thoughtfully farmed using biodynamic and organic methods that nurture our soil and the spirit of our team, and reveal the purest expression of terroir – crafting elegant, structured, and dynamic wines.
