## WILLAMETTE VALLEY

### 2024 CHARDONNAY

---

A blend of barrels from benchmark vineyards across the Willamette Valley AVA, including the Cristom Estate.

- Crafted with the same precision as our Eola-Amity Hills Chardonnay and single-vineyard Chardonnays
- A compelling expression of the vintage—vibrant, balanced, and unmistakably Cristom—at a remarkable value.
- With the 2024 vintage, we embarked on a new label design that pays tribute to the rich botanical heritage of the Willamette Valley, highlighting native plants like Camas, Trillium, and Violets, that have long shaped the region's identity—and that are also found on the Cristom Estate. Together, they underscore the deep-rooted relationship among land, culture, and ecology in the Willamette Valley.
